Achievement test 1 – Listening

Units 1–4

Listen to four people speaking about education, and decide whether each statement, 1–8, is true (T) or false (F).

Example:

Speaker One

0 hasn't left school. *F*

Speaker One

1 prefers to do a part-time course. ___

2 has enrolled at a local college. ___

Speaker Two

3 finds school boring. ___

4 hopes to become an apprentice builder. ___

Speaker Three

5 qualified as a doctor. ___

6 is going back to university after a break. ___

Speaker Four

7 is doing a course so he can meet people. ___

8 decided to do an intermediate course. ___

	/8
